of the carpetbag thieves now as he was the kind of a man for the Presidency of South. And this leads me to speak of the slave of the white man twelve the United States. the slave of the white man twelve the United States. years ago. But if the negro has a particle of sense, reason, or justice left him, he will read and profit by the letter of C. M. Clay, published in the Appearance of the senson of sharery he has been obstracted from society in the South for the last thirty years. For during to utter his sentiments, to lift his voice against slavery, he has been insulfed upon the streets, lived through contume, he property. But the colored man he amored for his blood while destroying his property. But the colored man he amored for his blood while destroying his property. But the colored man he and how have the Radicals treatment of the single property. Were Cassins M. Clay to make a speech in Memphis he would be hooted into silence by the colored man, who would throw up his hat for Barbour Lewis, who never raised his voice for the negro until they were liberated, and he could use their projudices to enrich himself. Horace particle of sense, reason, or justice left prejudices to enrich himself. Horace the bloody wounds, and to extend th

he displays an ingratitude toward his benefactors which will impress their ancient friends with the belief that they are unworthy of the liberty for which they struggled through thirty years of calumny, insult and personal violence. It was supposed that when the South united in supporting Greeley, the man united in supporting Greeley, the man who have the confidence of their fellowunited in supporting Greeley, the man who have the confidence of their fellow- I remark almost a perfect apathy in who nominated Lincoln, created the citizens; and, from the interest mani-Republican party, and did more toward fested by the people, and which will be The colored population, let me say freeing the negro than all other men illustrated to-morrow in the select much to their credit, having never put together, that the antagonism between the races would be obliterated, and that a common destiny and a common interest would bridge over the chasm which the carpethar this work action is earnestly invoked, and although the carpethar this work and the chasm which the carpethar this work and although the carpethar this work are satisfied to their credit, having never evinced around here much enthusiasm, are now ten times the more interested in their credit, having never the country, June 8, 1872.

The put together, that the antagonism better the most favorable to most backward spring we have had for the next President of the credit, having never the country, June 8, 1872.

Editor to delegate, we are satisfied that none but good men in their credit, having never the country, June 8, 1872.

Editor to delegate, we are satisfied that none but good men in their clean and growing crops than in their clean and growing crops than in their credit, having never to wince a ground here much enthusiasm, are now ten times the most backward spring we have had for several years, yet the most favorable to work our crops. Wheat is now being harvested and it is very grown and the country of t will be nominated. Harmonious mon interest would bridge over the continue are several points and the next President of the United States; as well they may be, for the one nominated in the next President of the United States; as well they may be, for the one nominated in open war, and their friends, these disappointments should be brushed away, and a hearty when he owned slaves, instead of the black man, we begin to believe that there is an antagonism between the two races, which will some day culminate in open war, and terminate in the destruction of the race, either devold of craffingle, or who will never the terminate in the common destiny and a common destiny and a common to make the next President of the United States; as well they may be, for the one noning less than the next President of the United States; as well they may be, for the one noning less than the next President of the United States; as well they may be, for the one noning less than the next President of the United States; as well they may be, for the one noning less than the next President of the United States; as well they may be, for the one noning less than the next President of the United States; as well they may be, for the one noning less than the two power for the one noning less than the less they may be, for the one noning less than they are young feel there among the largest pointment among the interest property may be, for the one noning less than they are young feel there among the less they may be, for the one noning less than they are young feel there among he less they may be, for the one noning less than they are young feel there among he less they may be, for the one noning less they may be, for the one noning less they be they may be, for the one noning less they may be, for the one noning less than they are young and it is not being the may be fine transport and leng are noning among the less than any living man.

Very little stirring around among the farmers in selection for the power of the same their liberation than any devoid of gratitude, or who will never devoid of gratitud and enemies. It is evident that the ne-
